VALLEY BROADCASTING COMPANY
Quarterly Report
1st Quarter, 2002

DATE OF BROADCAST: March 5, 2002

DESCRIPTION:

The constant battle to keep students from dropping out of school is showing signs of success. Last year five percent of students left the classrooms for good. That is the lowest rate in 13 years. Statewide close to 46-hundred students quit before graduation. A majority of those students went to school in Clark County.
